With almost 400 public companies covering telecoms companies, oil & gas entities, steel, transport and aviation companies, hospitality companies, mining companies, power, agriculture, postal services companies, Football stadiums, cement companies, ports, parks, hotels, refineries, fertilizer companies, coal companies, insurance companies, agro-allied companies, aluminium smelter companies, newsprint companies, sugar companies, media companies, utilities companies, assembly plants, electricity distribution companies, and more to be reformed, commercialised and privatised; this is one of the biggest wealth creating opportunities in our generation. **Stake your interest in corporate Nigeria.** You do not need to wish you were there at this special conference on reforms, commercialisation and privatisation of prospective wealth creating public assets. **Be there** and let's hear you before the government make final decisions. **Be part of the new wave of wealth creation in sub-Saharan Africa's biggest economy.**

This special interactive program with global investors, financial advisers, private equity groups, oil & gas experts, aviation experts, telecoms operators, investment strategists, asset managers, hospitality groups, energy experts, bankers, insurers, policy makers, legislators and financial market experts would focus on the strategic options available for the reform, commercialisation and privatisation of Nigeria's current public enterprises. This special event is being hosted by the Bureau for Public Enterprises (BPE) with support from corporate sponsors. **Please do not turn up on the day to register.** Kindly note that reservations are on first come, first served basis only. So register your interest now before all available places are taken up. **Kindly register and confirm your participation by replying to this invitation with your name, title and company contact details including mobile numbers, physical addresses and emails only.** Each organisation would be allowed a limited number of delegates. In order to secure your place, you may **call, text** and or **email** the program management company for sponsorships, speaking opportunities or other corporate opportunities. Registration is free.
