## **1<sup>st</sup> Annual Conference on Affordable Homes for All: Today's Dream Plan; Tomorrow's Reality**

Theme: Creating New Opportunities for National Empowerment

The feeling of security, financial worth, self confidence and pride which home ownership can inspire and the love, security and wealth creating opportunities it can provide is something everyone should have a right to enjoy. Now, more than anytime, the issue of affordable and comprehensive housing is becoming an integral part of our public agenda. This provides new prospects for our mortgage companies, architects, engineers, financiers, strategy analysts, investors, policy makers, legislators, regulators, estate developers, landscape designers, environmentalists, consultants, financial advisers, government officials, bankers, construction companies, infrastructure providers, and policy makers to proactively work towards delivering the goal of a home for everyone.

### **Who should attend the Conference?**

mortgage bankers, insurance companies, architects, engineers, financiers, strategy analysts, investors, policy makers, legislators, regulators, estate developers, landscape designers, environmentalists, consultants, financial advisers, government officials, bankers, construction companies, infrastructure providers, business leaders and policy makers

**Date:** 4<sup>th</sup> – 5<sup>th</sup> November, 2008.
